QUALIFICATIONS SUMMARY

Software Development

- Practical knowledge and utilization of numerous programming languages and web development technologies.
- Project experience in application design and full stack development.

Project Deployment

- Proven success developing software solutions that meet scope and acceptance criteria.
- Skilled at gathering technical specifications and analyzing project requirements.

Communication

- Quick learner practiced in cross-functional collaboration and understanding new processes.
- Career history of outstanding team leadership and streamlining daily procedures to boost efficiency.

EDUCATION

Bachelor of Science in Computer Science, 2021

Rutgers University
Newark, NJ

Associate of Science in Computer Science, 2019

Brookdale Community College
Lincroft, NJ

TECHNICAL PROFICIENCIES

Languages:

Python, PHP, HTML, CSS, Java, JavaScript, Dart, C, SQL

Tools:

React, Django, MySQL, Flutter, Android Studio, Microsoft Office Suite, Ajax, jQuery

PROJECT HIGHLIGHTS

- **Jeelio.online:** Developed and launched social media website allowing users to share statuses, post comments, like posts, and chat with other users. Leveraged technologies including PHP, JavaScript, MySQL, HTML, CSS, and jQuery and enabled account creation and secure login features.
- **Pizza Ordering System:** Utilized Java and MySQL to build system for pizza ordering, empowering users to create and save orders to database for quick and easy ordering.

EXPERIENCE HIGHLIGHTS

HaitEC (Mobile App), Asbury Park, NJ Software Developer

2018 – Present

Spearheaded design, development, and deployment of mobile application to support non-native English speakers with English speaking skills. Oversaw project planning, established workflows, and prioritized tasks to produce timely results.

- Boosted application user count to +10K users, promoting engaging user experience to drive client retention and positive reviews.
- Leveraged Flutter and Dart to build application.

HMSHost, Wall Township, NJ Shift Manager

2016 – 2020

Led restaurant staff within high-pressure, high-volume, fast-paced environment, confirming customer service quality maintained. Drove closing operations, supervising both front and back of house staff and resolving issues quickly to ensure smooth operations. Cultivated positive customer relationships with focus on client retention and positive reviews.

- Promoted through roles of increased scope, accountability, and leadership opportunities, moving from Store Operations to Ordering before assuming a management role.
- Guided staff, providing coaching and informative feedback to drive motivation and boost productivity.

LEADERSHIP HIGHLIGHTS

Member, Computer Science Club, 2020 – Present

Member, Educational Opportunity Fund (EOF), 2016 – Present

Member, National Society of Leadership and Success (NSLS), Lincroft, NJ, 2016 - 2019
